Professional Investigative Group

Statewide Investigations & Worldwide Service of Process

Service of Process:

Professional Investigative Group, a division of Hencye & Associates, LLC, is an International, Private Investigative Agency providing services at the highest standards to Attorneys, Insurers and Corporate clients.

Our service of process division is among the best in the industry. We do not limit our attempts and will not give up! We strive to never non-serve a paper. Have a difficult paper that no one has been able to serve? We will get it served!

PIG provides quality investigative solutions to our clients and offers the most effective strategies in achieving your case goals. We are there when you need us most, 24-7!
